Vision To Action Internet Marketing Products

Exclusive Website & Internet Newsletter Package:

This package includes: Website, Internet Newsletter System with brand matching template, (colors & image) Internet Marketing training to assist you with your website and newsletter, and an e-signature card that is linked directly to your business website. Every time a viewer receives your newsletter or an email with your e-signature card as your signature, they will have the opportunity to “click” directly to your website, thus assuming an increase in website traffic, customers, and sales revenue. This e-signature card capability can not be purchased separately. Twelve months of web hosting included. **Best Value! \$1,950.00 plus * Newsletter yearly fees.**

Website:

Extensive search engine optimization applied, so potential customers can quickly find your business on the internet. We will create text & template design, creating a call to action from site visitors, which keeps viewers at your website choosing to do business with you. Please review www.visiontoaction.org/websites.htm for additional information.

Internet Newsletter:

Your Internet Newsletter Template will assist you in developing your personal client base. A template can be created for you, or with permission, fetch a page from your website. Client will provide Vision To Action with logo and company name design, if one is desired. *Additional fee applied for your choice of emails per month.

E-signature Card/Bio-Site:

“Your Personal Connection” Your e-signature card will be linked directly to your private website, so viewers can connect directly with you. You may choose up to 5-pages on your Bio-site, that you feel are best appropriate for your personal and professional lifestyle. A “Website Exclusively For You And About You.” People will trust, respect, and choose to do business with you. Initial investment includes 1-year hosting of \$60.00.

Individual or Independent Contractor Within a Business:

WOW! Your Internet Newsletter Template will assist you in developing your personal customer base, making you more money. Especially with Vision To Action Marketing and Internet Newsletter Training included FREE! Your Internet Newsletter Template can stand alone, or align with the image of the company you are contracted with.

Example: A hair stylist rents space at a hair salon, and chooses to invest in a personal Internet Newsletter. The stylist can choose a personal template, or match, with salon owner approval, the Salons’ website, while developing a personal connection with clients and building a personal customer contact list. If they choose, their E-signature card can be “clickable’ to the salon website. Or, add your E-signature card with Bio-website, “A website exclusively for you and about you,” creating your personal connection. You may choose up to five pages for your exclusive Bio-website.
